

Sexual Violence Response and Prevention Advisors Collaboration Day

The Centre for Research and Education on Violence Against Women and Children is hosting a gathering for Sexual Violence Response / Prevention / Advisors / Coordinators / Support persons from Universities and Colleges in Ontario on May 28th in Toronto.

As the Responding to Disclosures of Sexual Violence on Campus training has been rolling out, the training Advisory Committee has heard about many promising practices, challenges and innovative ideas situated in this relatively new role.

Sexual Violence Response Coordinators in all Universities and Colleges across Ontario are invited to participate in a day of sharing, collaboration, support and capacity building.
