February 20, 2018

6:30 PM - 8:00 PM

Community Room (1134)

Faculty of Education

1137 Western Road,

Althouse College,

Western University

Sonia El-Birani was murdered by her husband in 2012. In the new documentary Fatal Silence, her daughter, Maha El-Birani speaks of the traumatic event. Through behind the scenes conversations and reflections she uncovers risk factors and potential actions that may have prevented her mother's death. This is a poignant story that has important lessons for all of us.

Panel Discussion

Dr. Mohammed Baobaid

Executive Director, Muslim Resource Centre for Social Support & Integration

Dr. Peter Jaffe

Academic Director, Centre for Research & Education on Violence against Women & Children
